Addendum No. 2

RFP No. 23-23

ROCKDALE COUNTY'S COMPREHENSIVE TRANSPORTATION PLAN UPDATE

November 27, 2023

RFP #23-23 is hereby amended as follows:

1. Below are questions received and corresponding answers:

A. Question: Please confirm that forms – Proposal Form (page 29); DBE Goals Form (page 30); Instructions for List of DBE Participants Form (page 31); and Subcontractors Form (page 42) – should be submitted under the separately, sealed Price/Cost Proposal since they contain amount details and NOT included within the Technical Proposal.

Answer: The DBE goals can be answered in percentage form and all other forms that require a price need to be submitted with the Technical Proposal.

B. Question: Is there only one (1) USB flash drive required, which should contain BOTH the electronic versions of the Technical and Price Proposal? Or will we need to submit two (2) separate USB flash drives, one containing the Technical Proposal and the other the Price Proposal?

Answer: Yes, just one USB is required with both versions.

C. Question: In the Contractor's Qualification Statement & Questionnaire Form, under III. Financial Status (items A.1; A.2; A.3): If we complete/provide the Fiscal Year Gross numbers (page 35) and provide a letter from our financial institution (WITHOUT the confidential financial statements for the last 3 years), will this suffice and meet the Financial Info criteria?

Answer: Yes, that will suffice.

D. Question: Page 3, under Open Records-The contents of the qualifications will not be made public until after an award and contract has been executed: Will confidential and proprietary financial information (private company) be excluded from this/being public records? If not, can we submit all our confidential/proprietary financial information (private company) in a separately, sealed envelope (separate from the Technical and Cost Proposal packages; 3rd envelope submittal)?

Answer: It can be sent in separately. Confidential and proprietary information will be excluded from public record as long as it states such.

E. Question: In the Contractor's Qualification Statement & Questionnaire Form, under III. Financial Status-C. Bonding (C. 1 and C. 2, page)—**Please confirm if the Bonding requirement is applicable for this project since it's professional services under architectural and engineering and not general construction. What is the Contractor's current bonding capacity? Please confirm if this is "Not Applicable" or please clarify if providing a sample of our certificate of insurance or will the letter from our financial institution/bank suffice. If not, please provide a little bit more clarification as to the type of info we need to provide specifically for this. What is the value of the Contractor's work currently under contract? Please confirm if this is "Not Applicable".**

Answer: Confirmed, it is not applicable.

2. All other conditions remain in full force and effect.
3. If a proposal has been submitted and anything in this Addendum causes the contractor to change the item offered or to increase or decrease the proposal price, the new price and/or changes will be inserted below:

4. All contractors under this Request for Proposal are kindly requested to acknowledge receipt of this Addendum on the Proposal Form, page 29 of this RFP.
