June 23, 2025

ITB #25-07 is hereby amended as follows:

1. Below are questions received and corresponding answers:

A. Question: Would the County consider ASTM F3706-24 for Spray Applied Lining materials for this project? We have utilized our products in the past with the County, but this ITB seems to be directed specifically for ShotCrete. Can you please advise?

Answer: No, that option will not be considered.

2. All other conditions remain in full force and effect.

3. If a bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the bid price, the new price and/or changes will be inserted below:

4. All bidders under this Invitation to Bid are kindly requested to acknowledge receipt of this Addendum on page 19 of the Bid Package.
