June 23, 2025

ITB #25-16 is hereby amended as follows:

1. Below are questions received and corresponding answers:

A. Question: On page BD.3, the Contractor's Qualification Statement and Questionnaire is not listed as a required submittal, but I do see that it is numbered as part of the Bid Documents. Please confirm.

- If it is a required submittal, are financials and/or other financial information requested in the Contractor's Qualification Statement and Questionnaire required **with** bid submittal or can we provide that information if low bidder?

Answer: The Contractor's Qualification Statement and Questionnaire is required to be submitted with the bid package. Yes, financials and/or other financial information can be provided if low bidder. Please disregard response #1 in Addendum No. 1 regarding submission of financials.

2. All other conditions remain in full force and effect.

3. If a bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the bid price, the new price and/or changes will be inserted below:

4. All bidders under this Invitation to Bid are kindly requested to acknowledge receipt of this Addendum on page BD.26 of the Bid Package.
