Rockdale County provides equal opportunity for all businesses and does not discriminate against any person or business because of race, color, religion, sex, national origin, and handicap, or veterans' status. This policy ensures all segments of the business community have access to supplying the goods and services needed by Rockdale County.

BID COPIES FOR EVALUATION:

One (1) USB Flash Drive in Adobe PDF format will be required for review purposes. Flash Drives that are blank or have incorrect information on them will not be acceptable and may be justification for disqualification. Check your Flash Drive(s) to ensure that they have the appropriate material on it before submitting. No hard copies will be accepted.

The ITB number must be clearly written on the outside of the envelope. **Incomplete, incorrect, unsealed, unmarked, or improperly submitted flash drives may be rejected.**

CONTRACT TERM:

The Contract Term will be (1) year with the option to renew two (2) additional one (1) year terms, unless cancelled in writing 30 days before the end of current term.

Because this contract contains two (2) renewal periods and the price of materials is subject to change from year to year, it is appropriate to allow the Contractor to offer price increases prior to the renewal of the contract for the following year. Therefore, 90 days prior to the end of the contract, the Contractor will advise the County in writing of their desire to renew the contract and will provide the County with an updated price list (this should be the same price list from the original bid with any necessary additions that became evident during the previous year's operations). The County will review the price increases and if necessary, negotiate with the Contractor to finalize pricing. Once both parties have agreed to the contract extension pricing, the County will prepare an Amendment to the original contract outlining the extension period, the new pricing that has been approved by both parties, and any other changes to the contract that become necessary to improve the operational effectiveness of the Agreement.

DUE DATE:

Sealed bids will be received at the Rockdale County Finance Department, Procurement Division, 958 Milstead Avenue, Conyers, GA 30012 no later than **2:00 P.M., local time, Thursday, July 24, 2025**. Bids received after this time will not be accepted. Bidders are not required to attend bid opening.

The Board of Commissioners will make the actual award of the contract and has the authority to award the contract to a company different than the company recommended by the Purchasing Department and/or Evaluation Committee.

Award will be made to the responsible offeror whose bid represents the best value after evaluation in accordance with the factors listed below. Rockdale County Board of Commissioners may reject any or all bids if such action is in the county's interest.

The County reserves the right to conduct discussions if the County later determines them to be necessary.

The award will be made to the lowest, most responsive, responsible bidder. The total bid amount is for recording purposes only. Overall, lowest unit prices will be considered as lowest bidder.

SAMPLE CONTRACT FOR UNIT PRICE ON-CALL CONCRETE

Disclaimer: This is a sample contract only and Rockdale County reserves the right to make any revisions.

This Agreement entered into on this ____ day of _____, 2025, between ROCKDALE COUNTY, GEORGIA, a political subdivision of the State of Georgia, whose address is 962 Milstead Avenue, Conyers, Georgia 30012, (hereinafter referred to as the "County") and _____, a Georgia company, whose address is _____, (hereinafter referred to as "Contractor").

WHEREAS, the County desires to engage the services of Contractor for Unit Price On-Call Concrete as detailed in the Invitation to Bid (ITB) No. 25-20; and

WHEREAS, Contractor is qualified to perform this service and desires to render this service to the County as provided herein.

NOW THEREFORE, the County engages the services of Contractor for and in consideration of the mutual promises contained in this Agreement and the parties agree as follows:

1. **Services Provided by Contractor.**

The Contractor will furnish all products, tools, construction equipment, skill and labor of every description necessary to carry out and to complete in a good, firm, substantial workmanlike manner for Unit Price On-Call Concrete in accordance with the County's Invitation to Bid No. 25-20, incorporated herein by reference, (hereinafter called "Work"), and Contractor's bid dated _____, attached hereto and made a part hereof, (hereinafter called "Bid"). Contractor shall provide, at their expense, all vehicles and equipment necessary to provide this Work. The Work shall be performed at the direction of the Director of General Services or his designee and be consistent with all Federal, State and Local laws.

The Contract Documents, Bid documents, drawings, and invitation to bid are considered essential parts of the Agreement, and requirements occurring in one are as binding as though occurring in all. They are intended to define, describe and provide for all labor necessary to complete the Work in an acceptable manner, ready for use, or operation by the County.

The Contractor shall commence the Work to be performed under this Contract Agreement on a date to be specific in a written Notice to Proceed and shall fully complete all work hereunder as specified in the Notice to Proceed, unless modified and agreed upon by both parties in writing.

2. **Fees and Compensation.**

- (a) All unit pricing is fixed through the initial term of this Agreement as set forth in Contractor's Bid dated _____, attached hereto and made a part hereof, unless amended as agreed upon by both parties in writing as detailed in Section 6 of this Agreement. All payments due Contractor hereunder shall be made to Contractor at the location indicated on the invoice. Original invoices must be submitted to: Rockdale County Finance Department, P.O. Box 289, Conyers, GA 30012, Reference Contract No. 2025 - _____. Payment is to be made no later than thirty (30) days after submittal of undisputed invoice.

It is understood that the Contractor shall provide and pay for all products, labor (including labor performed after regular working hours, on Saturdays or Sundays, or on legal holidays), tools, construction equipment, supervision, and all other services and facilities of any nature whatsoever necessary to execute, complete, place into operation, and deliver the Work.

The Contractor shall be responsible for any additional expenses incurred by the County as a result of the extended work hours, including resident inspection overtime. The cost associated with resident inspector overtime will be deducted from the Contractor's monthly payment request.

- (b) **Payments Withheld:** The County may decline to approve an application for payment, in whole or in part, as may be necessary to protect the County from loss because of:
- (1) Failure of the Contractor to make payments properly to subcontractors or for labor or products.
 - (2) Unsatisfactory prosecution of the Work by the Contractor either due to quality of the Work or if the Contractor is behind the currently approved construction schedule.

When the above reasons for nonpayment are corrected, then payment will be made for amounts withheld because of such reasons, not later than the next payment.

3. **Effective Dates of Agreement.**

The effective date of this Agreement shall be the date said Agreement is signed by the Chairman of the Rockdale County Board of Commissioners (the "Board"). The term of this Agreement shall be for one (1) year ("Term"), from the date of this Agreement, unless and until terminated as provided below. This agreement has an option to renew two (2) additional one-year periods, unless terminated by either party as detailed in section 13 of this Agreement.

4. **Rejection of Work and Materials.**

All products furnished and all Work completed will be inspected by the County. All products furnished and all Work completed that is not in accordance with the Contract Documents or that is defective will be rejected. All rejected products or Work shall be removed immediately. If rejected products or Work is not removed within 48 hours, the County will have the right and authority to stop the Work immediately and will have the right to arrange for the removal of said rejected products or Work at the cost and expense of the Contractor. Contractor shall warrant all Work completed for a five (5) year period following acceptance of Work.

5. **Supervision of Work.**

The Contractor shall supervise and direct the Work. The Contractor shall be solely responsible for the means, methods, techniques, sequences and procedures of the Work. The Contractor shall employ and maintain on the Work a qualified supervisor or superintendent who shall be designated in writing by the Contractor as the Contractor's representative at the site. The supervisor shall be present on the site at all times as required to perform adequate supervision and coordination of the Work.

The supervisor shall have full authority to act on behalf of the Contractor and to execute the orders or directions of the County without delay. The supervisor shall have full authority to promptly supply products, tools, plant equipment and labor as may be required. The supervisor's authority shall be such that all communication given to the supervisor shall be as binding as if given to the Contractor.

The Contractor shall employ only competent and skilled personnel. The Contractor shall, upon demand from the County, immediately remove any superintendent, foreman or workman whom the County may consider incompetent or undesirable.

6. **Changes in the Contract.**

The County may at any time, as the need arises, order changes within the scope of the Work without

invalidating the Contract Agreement. If such changes increase or decrease the amount due under the Contract Documents, or in the time required for performance of the Work, an equitable adjustment will be authorized by Change Order.

Because this contract contains two (2) renewal periods and the price of materials is subject to change from year to year, it is appropriate to allow the Contractor to offer price increases prior to the renewal of the contract for the following year. Therefore, 90 days prior to the end of the contract, the Contractor will advise the County in writing of their desire to renew the contract and will provide the County with an updated price list (this should be the same price list from the original bid with any necessary additions that became evident during the previous year's operations).

7. **Insurance.**

The Contractor shall not commence any work under this Contract until all insurance, as stipulated in the invitation to bid, has been obtained and such insurance has been approved by the County, nor shall the Contractor allow any subcontractor to commence any work on subcontractor's contract until all similar insurance required of the subcontractor has been so obtained and approved by the Contractor.

8. **Interruption of Facility Operations.**

The Contractor shall provide the County with written notice at least three days prior to any interruption in facility operations required by construction activity. The notice shall include the date and time of the scheduled interruption, the length of time the interruption will be in effect, the procedures to be followed, a complete identification of all those processes, equipment and operations to be affected, and all other information the County may require. The Contractor shall provide any equipment, piping, auxiliary power or other means necessary to sustain facility operations.

9. **Protection of Work, Property and Persons.**

- (a) The Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work. - (b) The Contractor shall comply with the Department of Labor Safety and Health Regulations for construction, promulgated under the Occupational Safety and Health Act of 1970 (PL 91-596) and under Section 107 of the Contract Work Hours and Safety Standards Act (PL 91-54) as amended. The Contractor shall erect and maintain, as required by the conditions and progress of the Work, all necessary safeguards for safety and protection.
- (c) The Contractor shall remedy all damage, injury or loss to any property, improvements or facilities caused, directly or indirectly, in whole or in part, by the Contractor or any of the Contractor's subcontractors or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. The property, improvements or facilities shall be replaced or restored to a condition as good as when the Contractor entered upon the Work. In case of failure on the part of the Contractor to restore such property, or make good such damages or injury, the County may, after 48 hours written notice, proceed to repair, rebuild, or otherwise restore such property, improvements or facilities as may be deemed necessary. The cost thereof will be deducted from any monies due or which may become due the Contractor under this Contract.
- (d) In emergencies affecting the safety of persons or the Work or property at the site or adjacent thereto, the Contractor, without special instruction or authorization from the County, shall act to prevent threatened

damage, injury or loss.

- (e) Completed Work and stored products shall be suitably protected during unseasonable weather, to allow Work to proceed in a timely fashion. Work planned, or in progress, should be performed to minimize impact of adverse weather.

10. **Protection of the Environment.**

- (a) The Contractor shall be responsible for taking all measures required to minimize all types of pollution associated with the undertaking of the proposed Work and shall abide by the requirements of all governmental agencies having jurisdiction over the Work or Contractor's Project operations. This shall include but not be limited to air, water & noise pollution during torch cutting, grinding, burning and grading operations.
- (b) Any area used or involved in the Project that is disturbed by the Contractor, shall be restored to original or better condition, even though such area is outside the limits of that specified for grading, grassing or landscaping.
- (c) The Contractor is responsible for maintenance of all erosion control measures, final removal of all temporary BMP's, and irrigation of all permanent vegetative measures until fully established.

11. **Protection, Location and Relocation of Utilities.**

The Contractor shall notify utility owners of the new work in accordance with Georgia Law by calling the Utilities Protection Center (UPC) at 800-282-7411, 72 hours before work is to begin. The Contractor shall protect from damage all existing improvements or utilities at, or in proximity to, the site of the Work, and shall repair or restore any damage to such facilities resulting from failure to exercise reasonable care in the performance of Work. If the Contractor fails or refuses to repair any such damage promptly, the County may have the Work performed and charge the cost thereof to the Contractor.

Prior to the construction or installation of any new Work, the Contractor shall excavate all existing utilities within the vicinity of the Work to their actual vertical and horizontal location. In order to avoid conflicts between existing and new Work, the Contractor shall either relocate the existing utility on a temporary or permanent basis, or shall take whatever means necessary to protect the existing facilities or utilities during the installation of new Work.

12. **Indemnification.**

In addition to its agreement to obtain and maintain insurance as set forth herein, the Contractor agrees to indemnify and hold harmless the County, its officers, agents, and employees, from any and all claims against the County, its officers, agents and employees, which arise out of any act or omission of the Contractor or any of the Contractor's officers, agents and/or employees, and any and all claims which result from any condition created or maintained by the Contractor or anyone employed by the Contractor or any of their officers, agents or employees, which condition does not specify to be created or maintained by this Contract.

To obtain a small business reserve program project, the bidding Small Business Enterprise must self-perform a significant percentage of the contracted work (a minimum of 50 percent).
 - I. All Contracting Authorities shall award contracts without regard to race, religion, color, creed, national origin, sex, age, or disability status.
