ITB No. 25-28

50KW FIXED GENERATOR PROJECT FOR FIRE STATION #4

October 9, 2025

ITB #25-28 is hereby amended as follows:

1. Below are questions received and corresponding answers:

A. Question: Is Cummins the only acceptable manufacturer for this solicitation? If not, can it be assumed that the winning manufacturer would do startup, warranty, and maintenance?

Answer: No, Cummins is not the only acceptable manufacturer for this solicitation. Rockdale County Fire Rescue will consider generators from other manufacturers as well. Bidders must include detailed information about the proposed generator, including all warranty documentation, as part of their bid package.

The awarded bidder will also be responsible for providing information on the vendor that will perform the generator startup testing and the maintenance plan.

Rockdale County Fire Rescue currently utilizes generators manufactured by Cummins, Generac, and Ford, with maintenance services provided by Yancey Power Systems.

B. Question: Will Blue Star be considered as a manufacturer and Power and Energy Services for Start-up?

Answer: Yes. Rockdale County Fire Rescue will consider Blue Star as a manufacturer and Power and Energy Services for startup, provided that the proposed equipment fully meets all specifications outlined in the ITB.

2. All other conditions remain in full force and effect.

3. If a bid has been submitted and anything in this Addendum causes the bidder to change the item offered or to increase or decrease the bid price, the new price and/or changes will be inserted below:

4. All bidders under this Invitation to Bid are kindly requested to acknowledge receipt of this Addendum on page 11 of the Bid Package.
