Addendum No. 2

RFP No. 26-06

VETERINARIAN SERVICES FOR SHELTER ANIMALS

June 25, 2026

RFP #26-06 is hereby amended as follows:

1. Below are questions received and corresponding answers:

A. Question: 1. Days of availability. The Scope of Services (page 10) states the veterinarian must be available for spay and neuter services "not less than four (4) days per week," while Section 1 of the Sample Contract (page 23) states "not less than three (3) days per week." Please confirm which requirement governs.

Answer: The Scope of Services outlined in the RFP governs the requirements for this solicitation. The sample contract is provided solely as a guide to assist you with preparing your bid submittal. Therefore, the availability requirement listed in the RFP Scope of Services is the requirement that should be followed.

B. Question: 2. Contract term and renewals. The Contract Term section (page 2) describes a one-year term with options to renew for two additional one-year terms, while the Sample Contract (page 24) provides for four additional one-year terms. Please confirm the intended number of renewal terms.

Answer: As with the availability requirement, the contract term and renewal options described in the RFP reflect the terms intended by the department. The sample contract is included for guidance only and may be adjusted to align with the final awarded agreement. Please follow the contract term and renewal structure as stated in the RFP.

2. All other conditions remain in full force and effect.

3. If a proposal has been submitted and anything in this Addendum causes the contractor to change the item offered or to increase or decrease the proposal price, the new price and/or changes will be inserted below:

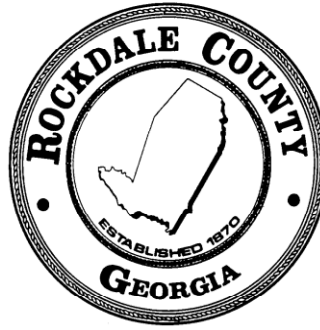

4. All contractors under this Request for Proposal are kindly requested to acknowledge receipt of this Addendum on the Proposal Form, page 13 of this RFP.
