AFFIDAVIT OF PROPOSED ACCESSORY USE

I _____ (property owner) understand that the accessory structure permit that I am applying for will not be used for human habitation, for any business or for housing animals/livestock.

I also understand that according to Rockdale County Ordinance Section 218-7 "Accessory structures in residential zoning districts may be finished with any material, including metal, vinyl siding and concrete block, providing the style and color of the structure match those of the principal structure and create visual cohesion throughout the property. Accessory structures finished in metal shall be visually screened from the street. Accessory structures shall be assembled in a professional manner and maintained in good condition."

The accessory building will be used for the following:

For accessory structures/buildings that will be used to house animals, I will comply with all Rockdale County ordinances and zoning requirements relating to kennels, livestock and poultry as well as the requirements for livestock set forth by the Department of Environmental Health. I have also received a copy of the Rockdale County Ordinance pertaining to the housing of animals.

Will this structure house any animals? Yes No
