Single Source Vendor Letter

Thank you for your interest in our services. Playground Rescue is a dba of IronHide Seating Restoration, Inc., that provides color restoration services for faded playground and park equipment – bringing the color of faded plastics back to like-new condition.

This proprietary plastics restoration process was originally developed by the owner over 30 years ago beginning in 1991, with Global Sign Restoration, Inc., which restored faded plastic signage. The process was adapted for plastic stadium seating in 2016 with the formation of IronHide Seating Restoration, Inc. Playground Rescue is a dba devoted solely to the playground market.

Our proprietary services are performed exclusively by our company trained technicians. To date there is no other company successfully providing these services in the world.

This letter is to confirm that IronHide Seating Restoration, Inc. dba Playground Rescue is a sole source service provider, developed, sold and performed exclusively by IronHide Seating Restoration, Inc. dba Playground Rescue 9740 Osceola Drive, New Port Richey, FL 34654. This service must be purchased directly by clients the company. There are no other agents or dealers authorized to represent this service and we never sub-contract work to other parties. If you have any questions, please feel free to call us at (727) 454-7388.

Sincerely,
Ironhide Seating Restoration, Inc.
